SAAB

Saab

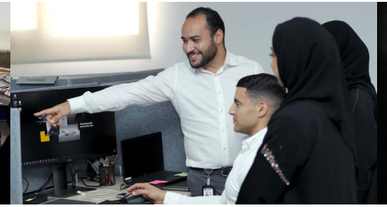
Saab is a leading defence and security company with an enduring mission, to help nations keep their people and society safe. Empowered by its 24,000 talented people, Saab constantly pushes the boundaries of technology to create a safer and more sustainable world.

Saab designs, manufactures and maintains advanced systems in aeronautics, weapons, command and control, sensors and underwater systems. Saab is headquartered in Sweden. It has major operations all over the world and is part of the domestic defence capability of several nations.

Saab in the UAE

Saab's business operations in the UAE date back to the 1980s. Products and systems that Saab has delivered to the UAE and region include among others: GlobalEye, airborne early warning and control (AEW&C) solutions, naval command and control systems, naval radar systems, self-protection systems, air traffic management systems, sensors, sighting systems, as well as training, security management and communication systems.

In 2018, Saab established a state-of-the-art facility in the UAE, **Saab Ltd**. It plays a pivotal role as a centre for the development and production of a wide range of cutting-edge defence and security products. Located within Abu Dhabi's Tawazun Industrial Park, the facility is a wholly-owned subsidiary of Saab AB. It aims to grow the local supply chain and actively promote employment opportunities for Emirati professionals, making a significant contribution to the region's economic advancement.



Emiratisation

In the UAE, one of Saab's key priorities is our commitment to supporting Emiratisation.

We are dedicated to providing Emirati nationals with rewarding career paths that contribute to the country's growing economy. Through our strong emphasis on career growth and skill enhancement, Saab takes pride in playing a leading role in cultivating the next generation of Emirati leaders within the defence sector. This approach not only bolsters our workforce with skilled professionals but also aligns with our goals of sustainable growth across regions.

You can rely on Saab's thinking edge to deliver innovative, effective products and solutions that enhance your capabilities and deliver smarter outcomes.
